

# Dramamine

Wallice

Pulled into your driveway  
An hour ago  
Sit in front of my place  
Saying I don't wanna be alone

I really think I like you  
But I don't understand  
Most of the things that I do  
I'm so sorry man

I need Dramamine when I'm with you  
Cause you move faster than my trust issues

Now I'll bite my tongue  
And I'm scared that  
I'll say something dumb  
I can't take back

What is it about me  
That makes me so mean  
But tell me why I miss you  
Whenever I'm with you

Every night I can't sleep  
Unless you're next to me  
There's just something about you  
That makes me doubt you

Took you to meet my parents  
I said here's my friend  
When we talk I'm oversharing  
Please cut me off again

I don't want life to pass me by  
I'm just trying to understand  
I think I'm done overthinking it  
I'm so sorry man

I need Dramamine when I'm with you  
Cause you move faster than my trust issues

Now I'll bite my tongue  
And I'm scared that  
I'll say something dumb  
I can't take back

What is it about me  
That makes me so mean  
But tell me why I miss you  
Whenever I'm with you

Every night I can't sleep  
Unless you're next to me  
There's just something about you  
That makes me doubt you
