

Seabound

Wallace

Tell me where I should go
When nobody knows 'cause I've tried
To figure it out
I've walked across now seven seas
And I think I see
Seems to please my mind
I've tried and tried, again

But maybe
We're meant to be alone

I've walked seven hundred miles
And I've never seen a style like you
You know what to do
Tell me where I can find
Someone like me unlike mine like you
You know what to do
Cause I've tried again

But maybe
We're meant to be alone

Seabound, seabound
