

## Coffin Change

Wallows

There's more, more to life than living  
More, more to life than this  
Time, I used to waste all mine  
Now time, time wastes me

If there's a price to pay, maybe I'll find it in my pocket  
Pinching all my pennies 'til they shove me in my coffin  
Up, up and away  
Up, up and away  
Heaven doesn't change  
Heaven doesn't change  
Up, up and away  
Up, up and away  
Heaven doesn't change  
Heaven doesn't change

It's an unrealistic thought

Is there more, more to death than dying?  
More, more than life to live?  
If time, time will outrun me  
Then why do I still run?

If there's a price to pay, maybe I'll find it in my pocket  
Pinching all my pennies 'til they shove me in my coffin  
Up, up and away  
Up, up and away  
Heaven doesn't change  
Heaven doesn't change  
Up, up and away  
Up, up and away  
Heaven doesn't change  
Heaven doesn't change

It's an unrealistic thought

If there's a price to pay, maybe I'll find it in my pocket  
Pinching all my pennies 'til they shove me in my coffin  
Up, up and away  
Up, up and away  
Heaven doesn't change  
Heaven doesn't change  
Up, up and away  
Up, up and away  
Heaven doesn't change  
Heaven doesn't change

It's an unrealistic thought
