

# I'm Full

Wallows

Hit me once again  
Then I'm screaming at my friends  
'Cause I'm at it again  
Tell me something, tell me what you like  
Don't remind me there's no one in sight, though  
You're my only friend  
You're at it again

Then I'm screamin' in my head when I've got nowhere to go  
Then I'm fallin' into bed, on a high can it go low  
And I know I'm bound to lose  
When I feel the need to use  
Why I'm full

Had it once, never tried  
Is it true or is it a lie?  
You're at it again  
Every time I put my hands somewhere  
There's always Reece's there  
I'm at it again  
Along with a friend

Then I'm screamin' in my head when I've got nowhere to go  
Then I'm fallin' into bed, on a high can it go low  
And I know I'm bound to lose  
When I feel the need to use  
Why I'm full

So  
Who's it gonna be?  
You or me  
When we're gone  
If you get to know  
Me at all  
Will you run?  
I can't even think anymore  
And I'm tired of the disadvantage  
Holdin' on for something alright!

Then I'm screamin' in my head when I've got nowhere to go  
Then I'm fallin' into bed, on a high can it go low  
And I know I'm bound to lose  
When I feel the need to use  
Why I'm full  
Why I'm full
