

Marvelous

Wallows

Wish that things could be simple as they used to be
Want to take you for a ride
You'll lay back the seat
There won't be a need to be formal
Past the point of cordial
We know that we could be anything we want to be

Mind the gap to jump in the hole
I can't get this done on my own
Build a wall to go crash into
I just want to do right by you
Think your patience is wearing off
If you go, you'll know I'll be lost
Have a marvelous time, I won't get you off of my mind

I know I need to see it doesn't have to do with me
When there's spells you can't control, I'll try therapy
But it's hard to talk without guidance
Fuck this sitting in silence
Kill the suspense, attractiveness is confidence

Mind the gap to jump in the hole
I can't get this done on my own
Build a wall to go crash into
I just want to do right by you
Think your patience is wearing off
If you go, you'll know I'll be lost
Have a marvelous time, I won't get you off of my mind

Wish that things could be simple as they used to be
Want to take you for a ride
You'll lay back the seat
Tell me if you start to get tired, what's left to be desired
When you look at me, is there something left to the (Hmm)

Mind the gap to jump in the hole
I can't get this done on my own
Build a wall to go crash into
I just want to do right by you
Think your patience is wearing off
If you go, you'll know I'll be lost
Have a marvelous time
I won't get you off of my, get you off of my
