

## On Time

Wallows

Oh my love, I can't explain away my grief  
Three words, they don't mean anything to me  
Each time I try to play the game  
I wind up in defeat  
I know it's wrong, but she's right

Right on time  
She's right on time  
She's right on time

Oh my love, I don't know why we have to fight  
I'd save your words 'cause we won't find the light  
I hear you callin' out my name  
It floats right over me  
I'm almost gone but she's right

Right on time  
She's right on time  
She's right on time

I can't help it if I don't care  
Help it if I don't care  
Help it if I don't care  
Baby, I can't help it if I don't care  
Help it if I don't care  
Help it if I don't care

She's right on time  
She's right on time  
She's right on time  
Yeah, she's right on time (I can't help it if I don't care)  
She's right on time (Help it if I don't care)  
She's right on time (Help it if I don't care)  
She's right on time (Help it if I don't care)
