Remember When

Wallows

Thought I saw your shadow under the door
Just a trick of the light I've seen before
I can never tell what's real anymore
Anymore, anymore

I remember when we ran from the pool
All the decorations up in your room
And I couldn't find the right words to use
But I knew that you knew

It seems so long, it seems so long
The moments that stay, they turn out all wrong
When I look around, you're gone

Oh, oh, oh
Oh, oh, oh

All the places I return to
All the faces that remind you

I can still see you at the place out there when I close my eyes
Do you remember when we felt like the only two alive?
Don't let me be one of the people who seek a lost romance
Would you go and do it all over again, given the chance?

Oh, oh, oh
Oh, oh, oh
Oh, oh, oh
Oh, oh, oh
