

Uncomfortable

Wallows

Driving away
I wish I'd stay
Another night
Hasn't changed
And now I see
It's you, not me
Who needs the time
You can't find anymore

I never wanted love
But now it's come undone
I'm waiting on the time
You see? I care
But now it's fading fast
Thought it was gonna last
I'm not uncomfortable
But I feel so uncomfortable

The pieces fit
Perspective hits
You realize
Everything is the same
You say the same lines
I'll die on my time
As it goes on
I will be gone

I never wanted love
But now it's come undone
I'm waiting on the time
You see? I care
But now it's fading fast
Thought it was gonna last
I'm not uncomfortable
But I feel so uncomfortable

When the memories bend
I'll see you at the end
And if they never fade
I won't be far away

I never wanted love
But now it's come undone
I'm waiting on the time
You see? I care
But now it's fading fast
Thought it was gonna last
I'm not uncomfortable
But I feel so uncomfortable
