

## Wish Me Luck

Wallows

I don't wanna make this any different from back at the start  
I just need to hear the words you say to me when we're apart  
I don't wanna lose myself to all my insecurities  
If I told you all of them, who would it hurt more, you or me?

Can you just wish me luck?  
I'm always just getting stuck inside of my mind  
I'll be fine if we turn out the lights  
I'm alright, I'll be fine  
If we turn out the

Light a match and burn it out  
For all the times I've let you down  
Do you think about 'em more whenever I am not around?  
I'll admit that I can't quit whenever I get started up  
If you say you're fine and all is well, it's still never enough

Can you just wish me luck?  
I'm always just getting stuck inside of my mind  
I'll be fine if we turn out the lights  
I'm alright, I'll be fine  
If we turn out the

Holdin' back, you can't know what's in my head  
Holdin' back, so maybe I should go before I lose control  
Holdin' back, you can't know what's in my head (My head)  
Holdin' back, so maybe I should go before I lose control

Can you just wish me luck?  
I'm always just getting stuck inside of my mind  
(I don't wanna make this any different from back at the start)  
I'll be fine if we turn out the lights  
I'm alright, I'll be fine  
(I just need to hear the words you say to me when we're apart)  
If we turn out the lights  
(I'll admit that I can't quit whenever I get started up)  
I'm alright, I'll be fine  
If we turn out the lights  
(If you say you're fine and all is well, it's still never enough)  
I'm alright, I'll be fine  
If we turn out the—
