

2 Pair A Shades

Wallpaper.

When the morning sun rise got to cover my eyes
'Cause I barely went to bed
I was up all night, double fisting cheap wine
I need something for my head

'Cause the cool kids do what the cool kids want
And a hot girl wear what a hot girl want
They wear 2 pair a shades at the same time
I wear 2 pair a shades in the sunshine

Got my cronies on blast with my 2 pairs on
Break into my neighbor's pool
Screaming 'ya'll ain't shit' when the cops roll up
Now I'm barefoot, running with nothing to lose

'Cause the cool kids do what the cool kids want
And if I lose my mind, it don't mean I'm lost

Check this out, I got the feelin'
Drop top down, sunburn is peelin'
In the sand, people are starin'
They don't know know what we wearin'

2 pair a shades at the same time
