ddd

Wallpaper.

My friends are always tellin' me,
"You got gangsta sensibilities,"
I'm like, "Ddd, I don't know what you mean,
But I'm really glad you're feelin' me."

My girlfriend is always sayin' to me,
"You gotta start payin' utilities,"
I'm like, "Ddd, I don't know what you mean,
But I'm really glad you're feelin' me."

Hit Trader Joe's for the 2 buck chuck.
20 some bottles costs 40 some dollars
Bennies for days ain't tryin' to show off
But gonna throw a party at my girlfriend's loft

Can't call her shorty 'cause she's taller than me
6'3" in NYC for Fashion Week
Just skipped a beat to emphasize I date models.
Invite mad neighbors so we don't get rolled

Noise violate courtesy 5.0.
Get my stuff in my room and then lock the door
So dudes in hoodies don't be stealing my cell phone
Wait, I think somebody stole my iPod

Damn, somebody definitely stole my iPod:
Homeless dude on the sofa
Or the rando dude sippin' on wine coola
Somebody cruises up on you.

Try and tell you do some junk you ain't tryin' to do
You just gotta be like whatever mang,
"Ddd ddd ddd"
Like a white trash drug dealer.
Like a white drug dealer.
