

## Fine GF

Wallpaper.

She the hot lava that I wanna be touchin'  
Burnin' on my finger and she don't give a freak about that  
But I don't give damns, I just keep steppin'  
Steppin' on a mama that be thinkin' she out of my reach  
But she not, no

I got to find myself a fine girlfriend

She peace me out 'cause I'm too good lookin'  
Too well dressed and I'm makin' real money now  
I got a new job that pays under the table  
That means they don't be takin' them taxes out

Save a little cash we could go on some dates  
Split it down the middle 'cause I don't know if like you yet  
I'm just sayin'  
I got to find myself a fine girlfriend
