

## Gettin Drip

Wallpaper.

Wallpaper., man!  
Ricky Reed, man!  
I feel good!  
I feel real good!

It's time to give me your money  
And tell me everything that you want  
It's like sex--it's kind of funny  
You got to warm it up before you get it on

I'm in the kitchen, gettin' drip like a fish  
Let's pre-party tonight  
Let's pre-party tonight  
I'm in the kitchen, I'm gettin' drip before we split  
Let's pre-party tonight  
Let's pre-party tonight

You don't need patience, just hit the bottle  
I got a Gatorade chaser comin' up, goin' down  
It's like sex--it's good  
You get so comfortable you want to shout it out out loud

I'm in the kitchen, gettin' drip like a fish  
Let's pre-party tonight  
Let's pre-party tonight  
I'm in the kitchen, I'm gettin' drip before we split  
Let's pre-party tonight  
Let's pre-party tonight

(Hey yo Ricky! Ricky! Hey!  
What's up, man?  
You done lost your mind, man  
Nah  
Better go find that motherfucker  
Where'd you get that hi-hat, man?  
From yo mama's house)

I'm in the kitchen, gettin' drip like a fish  
Let's pre-party tonight  
Let's pre-party tonight  
I'm in the kitchen, I'm gettin' drip before we split  
Let's pre-party tonight  
Let's pre-party tonight

I don't want none baby, no I don't
