Let's Get Away With It

Wallpaper.

I got a stolen cop car and some dumb ideas,
Yeah.
Tank full of gas,
Where to go from here,
Oh.
Break into to six flags with me,
Three AM and the rides are free.
When the sun comes up where do you wanna be?

Well let's find the cheapest flight,
And get on that plane tonight,
And feel that ahh.
I know you've always wanted to,
But right now I dare you to,
And feel that ahh.

Oh,
Let's get away with it. [x8]

You know my neighbor's out of town and I got their keys.
Been throwin up parties for the last two weeks.
Fireworks,
Set the roof on fire.
Forever the roof's on fire.
And now we're dancing in the street.

Well let's find the cheapest flight,
And get on that plane tonight,
And feel that ahh.
I know you've always wanted to,
But right now I dare you to,
And feel that ahh.

Oh,
Let's get away with it. [x8]

We're gonna drink red wine through a red vine straw.
We're gonna do what we wanna do til we can't no more.

No more [x8].

Well let's find the cheapest flight,
And get on that plane tonight,
And feel that ahh.
I know you've always wanted to,
But right now I dare you to,
And feel that ahh.

Oh,
Let's get away with it. [x8]
