

I Do

Walter Egan

We are not alone
We share some things together
Memories and plans for better
We could spend our lives forever
Now I see what my time is spent for
Now I see my life is meant for

You are the only one I can rely on
I know my feelings will never die
I love you
I do

Try to understand

Just what it meant to me
Just to find someone to care for
Give my love and just be there for
Now you are the one I live for
You get all I have to give for

You are the only one I can rely on
I know my feelings will never die
I love you
I do
I love you
I do
