

## Surfin' & Drivin'

Walter Egan

Yeah  
500 miles to L.A.  
500 miles to my home  
When I get back to L.A.  
Never again will I roam

Surfin' and drivin' are the only two things I know  
Surfin' and drivin' are the only two things I know

Once had a girl into me  
Thouht she loved me true  
Last night, I got a note she left me  
Took my money, now we're through

Surfin' and drivin' are the only two things I know  
Surfin' and drivin' are the only two things I know  
I know!

500 miles to L.A.  
500 miles to my home  
When I get back to L.A.  
Never again will I roam

Surfin' and drivin' are the only two things I know  
Surfin' and drivin' are the only two things I know

I once tried love  
But, like everyhing I do, it turned out wrong
