

That's That

Walter Egan

Ooh, ain't life crazy?
And it never works out right
And the future's always hazy
Where is the light?

But I'm not alone
When you take my hand
You'll be the woman
I'll be the man

Hold me, trust me
Let's be what we must be
Well I'm yours, you're mine
That's that
That's that

Too much paranoia
It can bend your mind
And it will destroy you
Then take your time

But nothing's gotten
When nothing's gived

It's on the line
Now it's time to live

Hold me, trust me
Let's be what we must be
Well I'm yours, you're mine
That's that
That's that
That's that
That's that

Hold me, trust me
Let's be what we must be
Well I'm yours, you're mine
That's that
That's that

Hold me, trust me
Let's be what we must be
Well I'm yours, you're mine
I'm yours, you're mine
I'm yours, you're mine
That's that
