

## Too Much Love

Walter Egan

(Insane, sir!)

She left our home and fled to Oklahoma  
She said our life together it was over  
I do my best to keep myself together  
But I guess I will miss that girl forever

Such fire such flame  
Could two hearts ever burn again?  
Such love, such pain  
Too much love drives a man insane  
My nights are spent alone with just her picture  
My bed it seems too big when I'm not with her  
A lonely house can never be a home, ah  
And every night I dream of Oklahoma

Such fire such flame  
Could two hearts ever burn again?  
Such love, such pain  
Too much love drives a man insane

Tell me it's over, tell me it's over  
Tell me it's over but I don't hear  
She was my lover, running for cover  
Why did I dig her? Why did I care?

Such fire such flame  
Could two hearts ever burn again?  
Such love, such pain  
Too much love drives a man insane  
I said too much love drives a man insane
