

You're the One

Walter Egan

Ooh, you've got a way about you
I can't help but feel
You are lookin' good to me

Ooh, when I am without you
My life is unreal
Now you're the one I want

You're the one, you're the one
You are the one, you're the one
You're the one, you are the one

Now you are a fine contender
I don't stand a chance
But you may be the great pretender

Gone at a glance
Still I have no doubt
No doubt

You're the one, you're the one
You are the one, you're the one
You're the one, you are the one

You're the one, you're the one
You are the one, you're the one
You're the one, you are the one

You're the one, you're the one
You are the one, you're the one
You're the one, you are the one

You're the one, you're the one
You are the one, you're the one
You're the one, you're the one
