

Going Up Yonder

Walter Hawkins

If you want to know
where I'm going,
where I'm going soon.

If anybody asks you
where I'm going,
where I'm going soon.

Chorus 1:
I'm going up yonder.
I'm going up yonder.
I'm going up yonder to be with my Lord.

Oh, I'm going up yonder.
I'm going up yonder.
I'm going up yonder to be with my Lord.

Verse 2:
I can take the pain,
the heartaches they bring,
the comforts in knowing
I'll soon be gone.

As God gives me grace,
I'll run this race,
until I see my Savior face to face.

Chorus 2:
I'm going up yonder (going up yonder).
I'm going up yonder (going up yonder).
I'm going up yonder to be with my Lord.

Oh, I'm going up yonder (going up yonder).
I'm going up yonder (going up yonder).
I'm going up yonder to be with my Lord.
