

I'd Do It All Over Again

Wanda Jackson

You turned down the love that I tried to give
You tore out my heart and my will to live
I won't deny I still feel the same
If I had it all to do over, I'd do it all over again

I'm a fool to feel you the way I do
Cause only a fool would keep on loving you
So I'll take the hurt and I'll take the pain
If I had it all to do over, I'd do it all over again

I can't erase these memories of you
I can't forget the sweet kiss that I knew
Oh, where is my pride where is my shame
If I had it all to do over, I'd do it all over again
If I had it all to do over, I'd do it all over again
