

Like a Baby

Wanda Jackson

You gave me love to enjoy
Like a bright shiny toy to a baby
No matter what you would do
I depended on you like a baby

Oh, one thing I know, I love you
Yes, I love you like a baby

It was a fool that you took
And I fell 'cause you look like a baby
To lover's ways I was blind
'Cause I just had a mind like a baby

Well, you're just a flirt
And I had to be hurt just like a baby

Whoa-ho, whoa-ho, whoa-ho, whoa-ho
Whoa-ho, whoa-ho, whoa-ho, whoa-ho
Whoa-ho, whoa-ho, whoa-ho, whoa-ho
I need you so, I need you so

The day I found that you lied
How I broke down and cried like a baby
Well, it was then I could see
You were playing with me like a baby

Well, you can bet
That some day I'll forget just like a baby
