

Say I Do

Wanda Jackson

Many years have come and gone
Since he walked upon our ground
They say lies don't last so long
So why's his story hanging round?
Why do people stop and pray
To a man who is dead and gone?
When I ask them, they just say
He's coming back to take me home

Anybody here want to live forever? Say 'I do'
Anybody here wanna walk on golden streets? Say 'I do'
Anybody here sick and tired of living like you do?
Anybody here want a home with love forever? Say 'I do'

They say you will never know
Till you walk up to that man
You look into his eyes of love
You touch the nail scars in his hands
Then if you can walk away
Knowing all he died to do
That's when I'll just have to say
I guess he didn't die for you

Anybody here want to live forever? Say 'I do'
Anybody here wanna walk on golden streets? Say 'I do'
Anybody here sick and tired of living like you do?
Anybody here want a home with love forever? Say 'I do'
