

You're Right, I'm Left, He's Gone

Wanda Jackson

Well, you're right, I'm left, he's gone
You're right I'm left all alone
Well, you tried to tell me so
But how was I to know
That he was not the one for me

You told me all along
Well, you're right our love was so wrong
But now I've changed my mind
'Cause he broke the tie that bind
And I know that he, he never cared for me

Well, I thought I knew just what he'd do
But I guess I'm not so smart
You tried to tell me along
He'd only break my heart

I'm left, you're right, he's gone
You're right, I'm left all alone
Well, he's gone I know not where
But now I just don't care
For now I am falling for you

If you'll forgive me now
I'll make it up somehow
So happy we will be
In a home for two or three
And I'll soon forget him now I know

For I thought I knew just what he'd do
I guess I'm not so smart
You tried to tell me all along
He'd only break my heart

Well, you're right, I'm left, he's gone
You're right, I'm left all alone
Well, he's gone I know not where
But now I just don't care
For now I've fallen for you
