

## **Yours Love**

**Wanda Jackson**

May the life that I live, be yours, love  
May the best I can give, be yours, love  
And from this moment on may a love that is strong  
And lives on and on, be yours, love

May the sons that I raise, be yours, love  
May the comforts I praise, be yours, love  
If I ever get weak, may the love words I speak  
And the arms that I seek, be yours, love

May the Lord's shining grace be yours, love  
May the happiest face be yours, love  
May the last fingertips that touch these two lips  
As life from me slips be yours, love  
As life from me slips be yours, love
