

Ever Blazin

Wande Coal

Oh no no, yea yea yea
Oh no

Say she say she like me but she know that I'm a star
Say she wanna love me but she put me on the side
Me I try to tell but she no wan understand
Call on the phone but she no wan answer

Hey lover

See I drive myself crazy thinking of you (who)
Every other day
See I drive myself crazy thinking bout you
Oh girl you take me higher another place outta space
I swear down I love this feeling
Ah yeah I see in my heart
All these emotions
Ain't no Hennessy in me yeah

Love is ever blazin'
Girl you know I changed when I met you
Cause your love is so amazing
Everytime you come you turn up on me
Cause your love is ever blazin'
You're my one and only girl
And your love is so amazing
Amazing yea amazing

I bet you knew that my world revolves around missing you (Yeah)
I'm guessing you
You don't know that you're mine but now you do
Now you yeah now you do
I just want to love you baby I just want to hold you I do I do
See girl I want to ride the wave til the end o yea
I just wanna call you baby
I just want to hold you every night every time
Girl I want to do you right
Girl I want to do you right ohhh

Love is ever blazin'
Girl you know I changed when I met you
Cause your love is so amazing
Everytime you come you turn up on me
Your love is ever blazin'
You're my one and only girl
And your love is so amazing
Amazing yea amazing

Baby ma lo maje ka ma ja
What is the matter everything for ya
Baby calm down baby come closer
I go hold you baby so nothing go touch ya

Love is ever blazin'
Girl you know I changed when I met you
Cause your love is so amazing
Everytime you come you turn up on me

Your love is ever blazin'
You're my one and only girl
And your love is so amazing
Amazing yea, amazing

Love is ever blazin'
Girl you know I changed when I met you
Cause your love is so amazing
Everytime you come you turn up on me
Your love is ever blazin'
You're my one and only girl
And your love is so amazing
Amazing yea, amazing
