Wande Coal

Hello babies, ladies and gentlemen
Everybody, I hope you can hear me loud and clear
You know, right now is not a case of Ashmabayee
Because, right now I can tell you categorically
That a bramititiba
You might not understand what that means
But, eh, you know
When we pray for change in Nigeria
Change has finally come

Beni
Right now I have with me the one and only guy they call Black D
iamond
You know probably because he was suffering from
A power outage, yes, something like that
We are unable to see him
Probably because of the darkness
He left and moved
And then he disappeared to movies
And finally he was out
Blackout, finally
And there is no light, we couldn't see him
But, ladies and gentlemen, I am proud to announce to you
That since change started in Nigeria
We now have light and we can see him, yes
There is light after the tunnel
That is what we will say
Welcome with me the one and only Black Diamond
