

# DNA

Wanessa

Some people say that I'm a monster  
And I can say that they are wrong, but  
I'm bad, I'm bad  
And I can never change it  
I'm mad, I'm mad  
And you won't have to face it  
My head is feeling so conflicted  
How can I be so damn addicted?  
You know you know that I ain't playing  
You know you know...

If you want a soldier, then maybe I am  
If you want a warrior, then maybe I am  
You can't run away, you can't run away  
It's in my dna, its' in my dna  
If you want a killer, then maybe I am  
If you want a thriller, then maybe I am  
You can't run away, you can't run away  
It's in my dna, its' in my dna

I don't ever wanna change me  
I am just the girl I should be  
I'm bad, I'm bad  
I see you kinda like it  
I'm mad, I'm mad  
No use trying to fight it  
How can I be so conflicted?  
We should't be so damn restricted  
You know you know that I ain't playing  
You know you know...

If you want a soldier, then maybe I am  
If you want a warrior, then maybe I am  
You can't run away, you can't run away  
It's in my dna, its' in my dna  
If you want a killer, then maybe I am  
If you want a thriller, then maybe I am  
You can't run away, you can't run away  
It's in my dna, its' in my dna

Oh yeah  
You cannot escape  
You can't run away  
It's in my dna  
It's in my dna  
I know I can't escape  
In this getaway  
It's in my dna  
It's in my dna

If you want a soldier, then maybe I am  
If you want a warrior, then maybe I am  
You can't run away, you can't run away  
It's in my dna, its' in my dna  
If you want a killer, then maybe I am  
If you want a thriller, then maybe I am  
You can't run away, you can't run away

It's in my dna, its' in my dna  
Oh yeah  
(you can't run away, run run run away)  
(you can't run away, run run run away)  
(you can't run away, run run run away)  
(you can't run away, run run run away)
