

# I Never Want to Love You in a Half-Hearted Way

Wang Chung

Times are hard and times will change  
Things can never be the same  
A love that's fallen, that makes no sense  
It's better than indifference

I can't help all things I feel  
But I don't need a compact seal  
A love that's over, a love that's spent  
I'll never be indifferent

I never want to love you in a half hearted way  
Oh, oh, oh  
(repeat)  
I never want to love you in a half hearted way at all

So if I ever leave your hand  
I know that you will understand  
A love that's fallen that makes no sense  
It's better than indifference  
I never want to be that way
