This foolishly regret-filled song
I hope it reaches the sky
My prayer that spent all night in tears
I hope it reaches your heart

I was young, I didn't know I'd be like this
I thought it was a given back then
The smile you left behind
Still remains in my heart

Honestly, I think I still need to receive love

The longer I'm left alone, the more afraid I get
I miss those days, I miss you so much, yeah

I miss you so much
Now I finally feel our space
I miss you so much
Tears are falling like this
But why didn't I know?

So Beautiful Beautiful
You're more beautiful than anyone else
So don't be sick, don't cry
If you can hear this song for you
Come back to me

Oh I miss you, I miss you
Seeing myself standing alone in the mirror
It's strange and I'm afraid, I need you
I hate myself for realizing this now
Come back to me

Memories are like a big garage like the ocean
I am be lost in them all day
Even this loneliness that I'm feeling
Are traces of you
So I force my eyes shut and am enduring through this day

I miss you so much
Now I finally feel our space
I miss you so much
Tears are falling like this
But why didn't I know?

So Beautiful Beautiful
You're more beautiful than anyone else
So don't be sick, don't cry
If you can hear this song for you
Come back to me

Oh I miss you, I miss you
Seeing myself standing alone in the mirror
It's strange and I'm afraid, I need you
I hate myself for realizing this now
Come back to me

I want to hold flowers that are pretty like you
And stand in front of you again
Yeah, I wanna look better than those times
And stand in front of you, yeah

I'm drawing out the familiar times with my hands
Crying in the same place like a broken clock
The dazzling you, the angelic you
The beautiful you, I wanna hold you
I wanna see you again

So Beautiful Beautiful
What if you're crying somewhere?
Don't leave, don't go, even if your love is a lie
I don't care what you say

Oh I miss you, I miss you (I miss you)
Your last words as you got far away (I miss you)

It's strange, I'm afraid, I need you
I hate myself for realizing this now

This foolishly regret-filled song
I hope it reaches the sky
My prayer that looked at you all night
I hope it reaches your heart
