

## In Mazatlan

War

I dreamed of a place  
That is always on my mind  
(On my mind)

It's where the blue waters run  
Down the mountain-side to the sea  
(Hey)

In Mazatlan  
In Mazatlan  
In Mazatlan  
In Mazatlan

You've never seen such a sight  
Who makes the day of the night  
The wonders your eyes behold  
In little Mexico so

Your joy you cannot control  
(Arriba)
