

Comeback Baby

Ward Thomas

Every time I go away, it's so strange
I wanna come back, baby
Your lips say my name like a Summer's day, ooh
I thought I was done, thought I'd do it alone
But just like that, love comes back around
Love comes back around

All I thought I wanted
All I thought I need is
Me, myself and I
It's been a long time
It was going alright

But when you walked in the door
Every plan flew out the window
And it felt like coming home
No more going where the wind blows

Every time I go away, it's so strange
I wanna come back, baby
Your lips say my name like a Summer's day, ooh
I thought I was done, thought I'd do it alone
But just like that, love comes back around
Love comes back around

Ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh

I could live without you
But I know I don't wanna
I never imagined who I am in your arms but

Every time I go away, it's so strange
I wanna come back, baby
Your lips say my name like a Summer's day, ooh
Every time I go away, it's so strange
I wanna come back, baby
Your lips say my name like a Summer's day, ooh
I thought I was done, thought I'd do it alone
But just like that, love comes back around
Love comes back around

When you walked in the door
When you walked in the door
Love came back around
