No Fooling Me

Ward Thomas

Everyone's got a lot of love for the boy
Surely he can do no harm if he tried
You can pull the wool over my eyes so I can't see
But there ain't no way in hell you're fooling me
Everyone's got a lot of love for the boy
Who can blame them when you see that smile?
You can take me anywhere you like, but can't you see
That there ain't no way in hell you're fooling me

Oh, and if I go, will you miss me? I don't think so
I'll just be one less number sitting on your phone
I know they're queuing as far as the eye can see
Well there ain't no way in hell you're fooling me

Ooh, ooh
Ooh, ooh, ooh

Once he's got you, it's so hard to get out
I could say I told you so but who am I?
Wondering why what I feel is such a mystery
I don't know but maybe it's just me

Oh, and if I go, will you miss me? I don't think so
I'll just be one less number sitting on your phone
I know they're queuing as far as the eye can see
Well there ain't no way in hell you're fooling me
No there ain't no way in hell you're fooling me
