

# Patience

Ward Thomas

I swear the moment I wake  
It's like I'm already late  
Try building Rome in a day  
I can use a little patience  
So busy trying to fly  
Forget to look at the sky  
Time is the only thing I'm wasting  
I can use a little patience

They say that good things come to those who wait  
But I'm still waiting  
They say that slow and steady wins the race  
I'm going crazy  
Always in a chase and

Maybe I should walk before I run  
Get to learning how to stop jumping the gun  
Racing the sun to a finish line  
I'm running out of time  
I'm gonna lose my mind

I can use a little patience  
Use a little patience

It's here and now or it's never  
Hellbent on getting wherever  
Before I break I better face it  
Yeah I can use a little patience

They say that good things come to those who wait  
And I'm still waiting  
They say that slow and steady wins the race  
I'm going crazy  
Always in a chase and

Maybe I should walk before I run  
Get to learning how to stop jumping the gun  
Racing the sun to a finish line  
I'm running out of time  
I'm gonna lose my mind

I can use a little patience  
I can use a little patience

Maybe I should walk before I run  
Maybe I should stop jumping the gun  
Racing the sun to a finish line  
I'm gonna win this time

Maybe I should walk before I run  
Get to learning how to stop jumping the gun  
Racing the sun to a finish line  
I'm running out of time  
I'm gonna lose my mind

I can use a little patience  
I can use a little patience

I can use a little patience  
I can use a little patience
