

## Right Within Your Heart

Wardrum

Restless, breathless  
I've shown you paths that link  
Violent yet so still and silent  
Feelings emerge and sink

Stagnant pools of emotions  
Against my will, all that I feel  
Condemned to cease

Under the horrid veil you're wearing  
I know that penetrating gaze  
And the scar right within your heart

Ageless, shapeless  
Ways of a broadened scope  
Pensive and so apprehensive  
Once quite refined with hope

Stagnant pools of emotions  
Against my will, all that I feel  
Condemned to cease

Under the horrid veil you're wearing  
I know the penetrating gaze  
And the scar right within your heart  
Through a different eyes  
Through a different aspect  
You keep the fight against a truth  
So overt, you can only accept
