

Sombre Goodbye

WARGASM

I only loved her 'cause she looked like you
I only loved her 'cause she looked like you
I only loved her 'cause she looked like you
I only loved her 'cause she looked like you

(What the fuck are you doing?
No one gives a fuck about your sad songs
We're Wargasm
Wargasm sounds like this!)

War! (War!)
War! (War!)
War! (War!)
(War!)

We got that blood like venom, go
Yeah, yeah
I got
You got
We all got that blood like venom
