

# Something Kinda Ooooh

WARGASM

I've got to heat it up  
Got to, got to heat it up  
I've got till three o'clock  
I've got to rock until you drop

(Something, something, something, something)  
Something kinda ooh  
Jumping on my tutu  
Something 'side of me  
Wants some part of you  
Something kinda ooh  
Makes my heart go boom, boom  
Something 'side of me  
Wanting what you do  
Something kinda ooh

Ooh, when tomorrow comes  
Baby, I won't even know your name  
Baby, so good  
Wanna follow on by  
But I'll never meet you  
Never see you again

If you gonna put a line on me now, no  
Wait until the band gonna play real slow  
If you want your hands on me  
I'm digging you up  
Can't dance, no pain, no gain, no show  
Jumping to the beat all night, don't roll  
If you wanna handle me  
You've gotta keep up

Something kinda ooh  
Jumping on my tutu  
Something 'side of me  
Wants some part of you  
Something kinda ooh  
Makes my heart go boom, boom  
Something 'side of me  
Wanting what you do  
Something kinda ooh  
Something kinda ooh

I got to heat it up  
Got to, got to heat it up  
I've got till three o'clock  
I've got to rock until you drop  
I got to heat it up  
Got to, got to heat it up  
I've got till three o'clock  
I've got to rock until you drop

Oh, boy, I can't tell you how sad I feel  
If tonight is just another kink in your steel  
Shoulda known where the man was at  
Shoulda known he was gonna make me  
I shoulda recognised the plan of attack

When he turned and he called me "baby"  
Shoulda known where the man was at  
Shoulda known he was gonna make me  
Shoulda come with a party rap  
So I'd know where the night would take me

Something kinda ooh  
Jumping on my tutu  
Something 'side of me  
Wants some part of you  
Something kinda ooh  
Makes my heart go boom, boom  
Something 'side of me  
Wanting what you do  
Something kinda ooh  
Jumping on my tutu  
Something 'side of me  
Wants some part of you  
Something kinda ooh  
Bumping on your back room  
Something 'side of me  
Wanting what you do

I got to heat it up  
Got to, got to heat it up  
I've got to heat it up  
I've got to, got to heat it up  
I've got to heat it up  
I've got to, got to heat it up  
I've got to heat it up  
I've got to, got to
