

## I'm Not Him

Warhaus

Such a child, such a queen  
You don't play me in between

Disarray in your eyes  
But your spell so precise

Loving you isn't easy you know  
But it's a motherfucker not to do so

You're so mean, that's okay  
It's more fun anyway

Loving you isn't easy you know  
It's a motherfucker not to do so

You want magic, count me in  
You want Jesus, well I'm not him  
You're an angel or a whore  
Tell me who you're working for

Loving you isn't easy you know  
But it's a motherfucker not to do so

Who said you could stop  
She's worth four minutes of your time isn't she

Three thirty...  
Three forty...  
Three fifty...  
That's four
