

Time And Again

Warhaus

Ha ha
Ha ha
Ha ha
Ha ha

I never pick a fight
With my mister Hyde
I'm just a cornerman baby
Standing by with a towel

Whenever I look back (ha ha)
It's all just quack quack quack (ha ha)
If only you would believe me (ha ha)
I wouldn't lie anymore (ha ha)

Time and again
I will never change
Time and again
I will never change
Time and again
I will never change
Time and again
And again and again

Time and again
I will never change
Time and again
I will never change
Time and again
I will never change
Time and again
And again and again and again
