Ballers gon' do what they can (lil' nigga)
Real niggas do what they wanna do (real)

These niggas done f*cked up, why they mad?
Playing these games, you get smashed
We lives with niggas that tote with the tag
I paid the dealer with cash
Pulled out the lighter, then [?]
Oh, that's your hoe, well, I smashed
f*cked in the studio, gave her a rash
Walk in the mall with no rags
I was not checking no tags
Diamonds on me and they dancin'
They takin' pictures, I don't need a flash

Walk in that bitch like a popstar
Strum the guitar like a rockstar
Smoking OG like a Rasta
Poppin' some .30, my pistol
