

Detroit ball like a Piston  
Free throws I ain't missin'  
Shoot a nigga like Jimmer  
Beat a nigga like Liston  
Cook bricks out the kitchen  
Big blocks like the mailman got wrists fuckin' up the dishes  
Whoa, aye  
That bih my knew my demeaning  
Big racks with a few ones, go the strip lookin' for a Trina  
Ion need no sympathy, lil' hoe don't mention me  
McQueen kicks with' a lil' Rick now the lil' hoe she attention fiend

Beat up the pot with the wrist  
Couped up in the spot lil' woe came through for the bricks  
And they scored, doin' this for the loot  
Sendin' troops for the cash  
Talk tough and he poof  
Blast 'em, FN with attachments  
Hollow tip we detach 'em  
Don't want smoke with a savage we gon' send a lil' nigga packin'  
Cookie came in the pack, got new Perry Ellis in the package  
Stacked up in Saks Fifth, new shoes be racks told 'em just bag it  
Been a real OG tell these lil' niggas ain't no actin'  
These niggas some pie niggas so pussy they is not flexin'  
Put these niggas in the trash can, need Glad bags for the next man  
Bro came with the good Tech, good deuce, nah Ion need Xans

Been came for the check  
Don't want nun' more, don't want nun' less  
Pop Perc for the stress  
Put this shit to the test  
Big clip with the Tech  
Hunnid' 'round make a mess
