

## Red Night

Warhol.SS

Tom Ford drippin', every shade, they gon' cover my body  
Beat that hoe up from the back, I'm in her body  
Hunnid racks in the duffel bag, cocky  
We don't stop at red lights  
Cracking me a red pint  
Red beam, red pipe  
Red cream, rare Sprite  
Rare king, rare ice  
YSL, real tight  
Walking with a long pipe  
If he make the wrong move, he gon' have a red night

I been on a long flight, I know this shit overdue  
But I had to pour the red in the Sprite, make it new
