

## SECOND NATURE

Warhol.SS

Yeah, uh  
Yeah, yeah  
The biggest  
Big 32 they know what's goin on  
Yeah

[?], she love when I bring her round  
That shit make her switch the sound, try my bitch, I switch the crowd  
It ain't nun' I chop it down, shit I'm on is super loud  
Nigga I took the scenic route, they know we the coolest round  
Heart and soul, and all that shit, I'm turnt so they can't turn me down  
This shit ain't gon' move unless I move it, I got motion now  
Focus on that shot so when it's game time it's second nature  
Envy in his eyes, that shit crazy, I thought he was player

All that hating shit don't sit with me, my shit from Italy  
I get on flights, when I see fit, I told that bitch to get with me  
My attraction might be large, I don't sleep I just recharge  
I feel safest in them trenches, pour a six and I won't yawn  
Keep your conversation quicker, I be blue  
I ain't fucking with no rappers only a few  
[?] like it's '07 in that coupe  
Nigga I came with a number of troops  
I get paid to be nothing like ya'll, it's true

[?], she love when I bring her round  
That shit make her switch the sound, try my bitch, I switch the crowd  
It ain't nun' I chop it down, shit I'm on is super loud

Envy in his eyes, that shit crazy, I thought he was player

On my left is [?], I like playing shit  
If I wasn't no rapper, I'd be rich, but keep the fame shit  
Shawty she my type, know my preferences, what I like  
I be personal [?] get you right  
I be cruising on the [?] we born to take risks  
She say I ain't shit, but I on trip, she on rotation  
I know my flaws and all, some big, others small  
Dead niggas stack 'em tall, I'm the one learning laws

[?], she love when I bring her round  
That shit make her switch the sound, try my bitch, I switch the crowd  
It ain't nun' I chop it down, shit I'm on is super loud
