

Pull up at the docks
Skrt off on a yacht
Chef banged the block
'Preme all on my socks
Boy what's in these socks
Cost a couple knots
Got a couple thots they gone shoot if I say pop
She like what's your name
They just call me Andy
Tool on me extendo clip they call me Handy Manny
She like what's your name
They just call me Andy
Tool on me extendo clip they call me Handy Manny

Call me Handy Manny with that tool boy
Gang pull up with them sticks like it's pool boy
Bad lil' Asian bitch she wet just like that pool boy
And she go to school, while we cool, make the news
Ain't no blues round this way
And your bitch stay in my face I curve her everyday shit
Call it everyday shit, gang shit, pull up and I lane switch
I just bagged another bitch you tripping on that same bitch
Same ho, she just want the fame I ain't fucking with no lame ho
Bitch I got bricks I'm just worried 'bout this cash flow
Feel like Hov, need that '17 Range Rove
