

Ave Roma

Warkings

After all those years, after all the wars
I'll return and Rome is mine
I will never fail, my imperium
Across the river I will march

There is no retreat, no turning back
I am legion, ad arma

Ave Roma (Roma)
Alea iacta est
Ave Roma (Roma)
I'll cross the Rubicon
Ave Roma (Roma)
Alea iacta est
Ave Roma
Roma

The end I will become what they believe
Bringing war to their door
There's no place to hide, there's no place to run
And in Greece, it will end

There is no retreat, no turning back
I am legion, ad arma

Ave Roma (Roma)
Alea iacta est
Ave Roma (Roma)
I'll cross the Rubicon
Ave Roma (Roma)
Alea iacta est
Ave Roma
Roma

Ave - Ave Roma
Ave - Ave Roma

Ave Roma (Roma)
Alea iacta est
Ave Roma (Roma)
I'll cross the Rubicon
Ave Roma (Roma)
Alea iacta est
Ave Roma
Roma
