## Warkings

One by one, brought to the sacrifice  
With steel I will take every life  
Shadows and dust, on a crimson sand  
Man against man, fighting for victory  
A clash of titans you will see  
Born to die, honor and blood

We want it - we burn it  
Feel the cold bite of steel in my hand

I am gladiator - king of the burning sand  
I am gladiator - are you entertained?  
I am gladiator - king of the burning sand  
I rule the crowd, I own this world  
Vengeance is mine

Clash of steel - blood, sweat and men will die  
I kill them with a silent cry  
This is my day - my last farewell  
To the last breath, till the last tear is shed  
I spill the blood and crack the heads  
Darkness awaits, heroes will die

We want it - we burn it  
Feel the cold bite of steel in my hand

I am gladiator - king of the burning sand  
I am gladiator - are you entertained?  
I am gladiator - king of the burning sand  
I rule the crowd, I own this world  
Vengeance is mine

My name is Maximus Decimus Meridius, commander of the armies of  
the North, General of the Felix Legions, loyal servant to the  
true emperor, Marcus Aurelius. Father to a murdered son, husband  
to a murdered wife. And I will have my vengeance, in this life  
or the next.

I am gladiator  
I am gladiator  
I am gladiator - king of the burning sand  
I am gladiator - are you entertained?

I am gladiator - king of the burning sand  
I am gladiator - are you entertained?  
I am gladiator - king of the burning sand  
I rule the crowd, I own this world  
Vengeance is mine
