## Warkings

I am, I am a warking  
I am, I am a warking  
(Amen)  
I am, I am a warking

Secrets hidden from the sun  
Words unspoken  
Truth untold, so many lies  
Drowned in darkness  
An order kept beyond your sight  
A secret mission  
For corpus christi, they will fight  
A holy legion

Sigillum militum  
Christi de templo

Walk by my side  
Walk with me through the darkness  
I am a warking  
Walk by my side  
Walk with me through the dark  
I am a warking

I am, I am a warking  
I am, I am a warking  
(Amen)  
I am, I am a warking

Blood of Christ, the holy grail  
Our mission  
To protect, to serve and die  
For the heavens  
Crimson stains on holy ground  
Our duty  
We will fight for every soul  
For redemption

Sigillum militum  
Christi de templo

Walk by my side  
Walk with me through the darkness  
I am a warking  
Walk by my side  
Walk with me through the dark  
I am a warking

I am, I am a warking  
I am, I am a warking  
(Amen)  
I am, I am a warking

Sigillum militum  
Christi de templo

Walk by my side

Walk with me through the darkness  
I am a warking  
Walk by my side  
Walk with me through the dark  
I am a warking

I am, I am a warking  
I am, I am a warking  
(Amen)
