

# All We Are

Warlock

All we are  
all we are, we are  
we are all, all we need  
all we are  
all we are, we are  
we are all, all we need

There's beauty in the heart of a beast  
fear behind the eyes of a thief  
I know, you know we're all incomplete  
lets get together  
and let's get some relief

all we are  
all we are, we are  
we are all, all we need  
all we are  
all we are, we are  
we are all, all we need

Stronger than a mountain of steel  
faster than hell on wheels  
we've got we've got all the power we need  
lets build a playground on this old battlefield

all we are  
all we are, we are  
we are all, all we need  
all we are  
all we are, we are  
we are all, all we need

Now we're stronger  
we no longer want you bringin' us down  
we've got the magic  
so we're gonna spread the magic around yeah!

Now we're stronger  
we no longer want you pushin' us

all we are  
all we are, we are  
we are all, all we need  
all we are  
all we are, we are  
we are all, all we need

all we are  
all we are, we are  
we are all, all we need  
all we are  
all we are, we are  
we are all, all we need

All we are  
we are all, all we need
