

# Make Time for Love

Warlock

Takes a life-time of battle  
To wipe down this slate  
But it don't really matter  
I'm a soldier of fate

Takes a life-time of pure desire  
A passionate saint  
To watch the children lie dying  
Outside of heaven's gate

My heart is a lion  
That no-one can tame  
But I'm falling, I'm falling  
I'm falling in love

Oh love don't let me walk away from  
Love don't let me be afraid of  
Love don't wanna fade without love  
Oh I must make time for love

I'm standin' on a field of fire  
I'm a rollin' thunder  
No-one can save  
But it don't really matter  
To a fortunate slave

The flames gettin' higher  
I pray for rain  
And I'm falling  
I'm falling, I'm falling in love

Oh love don't let me walk away from  
Love don't let me be afraid of  
Love don't wanna fade without love  
Oh I must make time for love

And my heart is a lion  
That no one can tame  
But I'm falling  
I'm falling, I'm falling in love

Oh love - don't let me walk away from  
Love don't let me be afraid of  
Love don't wanna fade without love  
Oh I must make time

Love don't let me walk away from  
Love don't let me be afraid of  
Love don't wanna fade  
Without love

Don't let me walk away  
Don't let me be afraid  
Don't let me walk away  
Don't wanna fade without love
