

# Champion

Warpaint

I'm an ocean  
Breathe in, in and out  
I'm a million years old  
I'm a champion  
I'm a champion

Uh, uh, uh, uh, uh

I'm an ocean  
Breathe in, in and out  
I'm a million years old  
I'm a champion  
I'm a champion

Uh, uh, uh, uh, uh

Breathe in and breathe it out

Uh, uh, uh, uh, uh

And here it is, I've got you  
And here it is, I'll talk to you  
I'll help you figure out  
Everything you're on about

I'm an ocean  
Breathe in, in and out  
I'm a million years old  
I'm a champion  
I'm a champion

Uh, uh, uh, uh, uh

And here it is, I've got you  
And here it is, I'll talk to you  
I'll help you figure out  
Everything you're on about

We're all the same sun  
We're all our own sun too  
We're all the ocean  
We all look up at you

We're all the same sun  
We're all our own sun too  
We're all the ocean  
We all look up to you

Uh, uh, uh, uh, uh

And here it is, I've got you  
And here it is, I'll talk to you  
I'll help you figure out  
Everything you're on about
